DLI Workshop --
Dec 1999

2

Day 1 : A.M.

- Hands-on work with aggregate data
 - CANSIM
 - E-STAT
 - Census '96
 - Health Indicators Database

DLI Workshop --
Dec 1999

3

Day 1 : P.M.

- Microdata retrieval systems
 - LANDRU (UC)
 - introduction with hands-on experience
 - ISLAND (UBC)
 - introduction with hands-on experience

DLI Workshop --
Dec 1999

4

Day 2 : A.M.

- Update to DLI since 1997
 - experiences with new web services
- Spatial Data Retrieval: GEODE

DLI Workshop --
Dec 1999

5

Day 2 : P.M.

- Other data extractors
- Discussion about possible COPPUL data access projects
- Roundtable discussion about introducing data to our reference colleagues

DLI Workshop --
Dec 1999

6

Access and Dissemination Tools for Aggregate and Microdata

DLI Workshop --
Dec 1999

7

Data Service Models

- Begin by discussing data service models within the framework of three topics:
 - access and dissemination
 - aggregate data and microdata
 - statistics versus data

DLI Workshop --
Dec 1999
